SMART TECH. SERIOUS PERFORMANCE.

RIB-IT
CL390 · CLASSIC SERIES

 **CONNECTED NAVIGATION**

The CL390 is the only Classic RIB to come standard with a Raymarine Elements 7" MFD — NMEA-integrated with the Suzuki 40HP for real-time engine data, chartplotter, and transducer in one screen.

 **BLUETOOTH AUDIO**

Boss Marine Bluetooth stereo with marine speakers comes standard — stream music directly to the boat from any device. Whether anchored at a sandbar or cruising at 42 MPH, the soundtrack is always right.

 **YACHT TENDER & DAY CRUISING**

At 650 lbs and 13 ft with a 1,480 lb max load and 7-passenger capacity, the CL390 punches well above its weight as a high-performance yacht tender or family day-trip vessel.

 **COASTAL SPORT PERFORMANCE**

42 MPH with the 40HP Suzuki, upgradeable to 50HP for even more performance. ORCA Hypalon tubes, 22° deadrise, and SeaStar NFB steering make the CL390 confident in choppy coastal conditions.

FULLY EQUIPPED — TECH INCLUDED STANDARD

- Suzuki 40HP 4-Stroke
- Raymarine 7" MFD
- Boss Marine BT Stereo
- ORCA Hypalon Tubes
