RIB-IT
CL460 · CLASSIC CENTER CONSOLE

FLAGSHIP CLASSIC

At 15 ft with a 925 lb hull and capacity for 9 passengers, the CL460 is the largest and most capable Classic RIB in the lineup — room for the whole crew without sacrificing agility.

25-GALLON UNDER-CONSOLE TANK

The biggest fuel capacity in the Classic lineup — a 25-gallon EPA-compliant in-hull tank mounted under the console keeps the deck clean and extends your range significantly.

FULL ELECTRONICS SUITE

Raymarine Elements 7" MFD with NMEA engine integration, transducer, and Boss Marine Bluetooth stereo all come standard. The CL460 is ready to navigate from day one.

COASTAL & OFFSHORE CAPABLE

60HP Suzuki on a 22° deadrise aluminum hull — the CL460 handles open water with confidence. ORCA Hypalon tubes, SeaStar NFB steering, and long-shaft engine make it a serious offshore performer.
