BUILT BIGGER. BUILT TOUGHER.

RIB-IT
CL520 · CLASSIC CENTER CONSOLE

 **FLAGSHIP SIZE. RIB AGILITY.**

At 17'2" with a 1,225 lb hull and room for 10 passengers, the CL520 is the largest Classic RIB in the lineup. Six air chambers, 20" tubes, and a 24° deadrise deliver exceptional offshore stability.

 **UP TO 90HP. REAL SPEED.**

The CL520 is rated to 90HP — upgrade to the Suzuki 90HP for a significant performance boost. Whether you choose 60 or 90, SeaStar hydraulic steering (optional) makes control effortless at any speed.

 **CONNECTED FROM DAY ONE**

Raymarine Elements 7" MFD with NMEA engine integration and transducer comes standard, paired with Boss Marine Bluetooth stereo. Every CL520 leaves the factory fully wired and ready to navigate.

 **PATROL, RESCUE & COMMERCIAL READY**

The CL520's heavy-duty build — ORCA Hypalon 6-chamber tubes, ultra-light aluminum hull, and 1,825 lb max load — makes it the choice for law enforcement, fire/rescue, coast guard, and commercial operators.
