## LAW ENFORCEMENT

Purpose-built for marine police units. High-speed pursuit capability, stable platform for officer operations, and fully configurable for lights, comms, and tactical equipment.

HIGH-SPEED PURSUIT LIGHT BAR READY  
RADAR COMPATIBLE FLIR THERMAL OPTION

## FIRE & RESCUE

Rapid response on any waterway. The P600's lightweight aluminum hull and powerful Suzuki engine deliver crews and equipment to incidents fast. Stable enough for active on-water operations.

RAPID RESPONSE 2,670 LB LOAD  
EQUIPMENT READY 15 PERSONS MAX

## SEARCH & RESCUE

When every second counts, the P600 delivers. Navigate shallow or rough water with ease, carry a full rescue team, and integrate thermal imaging, sonar, and communication systems.

FLIR THERMAL OPTION SONAR READY  
NIGHT OPERATIONS LED LIGHTING STD.

## COAST GUARD & HARBOR

Designed to perform in coastal and harbor environments. ORCA Hypalon tubes resist harsh saltwater conditions, while the 26° deep-V hull handles offshore chop with confidence.

SALTWATER READY ORCA HYPALON  
26° DEEP-V HULL VHF RADIO STD.

## BORDER & SECURITY PATROL

Fast, quiet, and built for extended patrol operations. Configure with radar, FLIR, and comms for 24/7 border security presence on any waterway or coastal zone.

FURUNO/GARMIN RADAR 40-GAL FUEL TANK  
EXTENDED RANGE CUSTOM CONFIG

## RECREATIONAL & SPORT

Not all missions are serious. The P600 is equally at home on weekend adventures — 44 MPH top speed, 15-person capacity, premium stereo, teak EVA floors, and stunning aesthetics.

44 MPH BOSS MARINE STEREO  
TEAK EVA FLOORS FOAM CUSHIONS

### The P600 Platform — Precision-Engineered for Flexibility
